Blaine Sigler, Superintendent/Principal

## Photo / Video / Web Site Release Form

During the course of the school year, representatives from Cuddeback Union School District and representatives form various media may want to contact each other related to information regarding school programs or events. Educating the public about the abilities and needs of our students and families, as well as providing information about the programs we offer at Cuddeback is an important responsibility.

In order to allow use of photos, video, audio, or other type media related to your child on the District website, local newspaper, in promotional educational materials, or other such media outlets authorized by CUSD, we need your written permission.

Please complete the form to indicate whether you give permission or do not give permission for your child.
