

**BOARD TRAINING**

The Board of Trustees believes that the Board's ability to effectively and responsibly govern the district is essential to promoting student achievement, building positive community relations, and protecting the public interest in district schools. Board members shall be provided sufficient opportunities for professional development that helps them understand their responsibilities, stay abreast of new developments in education, and develop boardsmanship skills.

*(cf. 9000 - Role of the Board)*

*(cf. 9005 - Governance Standards)*

All Board members are encouraged to continuously participate in advanced training offered by the California School Boards Association in order to reinforce boardsmanship skills and build knowledge related to key education issues. Such activities may include online courses, webinars, webcasts, and in-person attendance at workshops and conferences. In addition, workshops and consultations may be held within the district on issues that involve the entire governance team.

Board members may attend a conference or similar public gathering with other Board members and/or with the Superintendent/Principal or designee in order to develop common knowledge and understanding of an issue or engage in team-building exercises. In such cases, a majority of the Board members shall not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the district's jurisdiction, so as not to violate the Brown Act open meeting laws pursuant to Government Code 54952.2.

*(cf. 9320 - Meetings and Notices)*

Board members shall report to the Board, orally or in writing, on the board training activities they attend, for the purpose of sharing the acquired knowledge or skills with the full Board and enlarging the benefit of the activity to the Board and district.
