The Board of Trustees desires to ensure that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for them to meet the same challenging academic standards as other students.

(cf. 6011 - Academic Standards)

The Superintendent/Principal or designee shall identify and remove any barriers to the identification and enrollment of homeless students and to the retention of homeless students due to absences or outstanding fees or fines. (42 USC 11432)

(cf. 3250 - Transportation Fees)

(cf. 3260 - Fees and Charges)

(cf. 5113.1 - Chronic Absence and Truancy)

When there are at least 15 homeless students in the district or a district school, the district's local control and accountability plan (LCAP) shall include goals and specific actions to improve student achievement and other outcomes of homeless students. (Education Code 52052, 52060)

(cf. 0460 - Local Control and Accountability Plan)

The Superintendent/Principal or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting homeless students to succeed in school.

In order to identify district students who are homeless, the Superintendent/Principal or designee may give a housing questionnaire to all parents/guardians during school registration, make referral forms readily available, include the district liaison's contact information on the district and school web sites, provide materials in a language easily understood by families and students, provide school staff with professional development on the definition and signs of homelessness, and contact appropriate local agencies to coordinate referrals for homeless children and youth and unaccompanied youth.

(cf. 1113 - District and School Web Sites)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

EDUCATION FOR HOMELESS CHILDREN (continued)

The Superintendent/Principal or designee shall ensure that placement decisions for homeless students are based on the student's best interest as defined in law and administrative regulation.

Each homeless student shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. (42 USC 11432)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 6177 - Summer Learning Programs)
(cf. 6178 - Career and Technical Education)
(cf. 6179 - Supplemental Instruction)

Homeless students shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. However, the Superintendent/Principal or designee may separate homeless students on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet the unique needs of homeless students. (42 USC 11432, 11433)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 3553 - Free and Reduced Price Meals)

The Superintendent/Principal or designee shall coordinate with other agencies and entities to ensure that homeless children and youth are promptly identified, ensure that homeless students have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. Toward these ends, the Superintendent/Principal or designee shall collaborate with local social services agencies, other agencies or entities providing services to homeless children and youth, and, if applicable, transitional housing facilities. In addition, the Superintendent/Principal or designee shall coordinate transportation, transfer of school records, and other interdistrict activities with other local educational agencies. As necessary, the Superintendent/Principal or designee shall coordinate, within the district and with other involved local educational agencies, services for homeless students and services for students with disabilities. (42 USC 11432)

EDUCATION FOR HOMELESS CHILDREN (continued)

(cf. 1020 - Youth Services)

District liaisons and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of homeless students and to provide training on the definitions of terms related to homelessness. (42 USC 11432)

At least annually, the Superintendent/Principal or designee shall report to the Board on outcomes for homeless students, which may include, but are not limited to, school attendance, student achievement test results, promotion and retention rates by grade level, graduation rates, suspension/expulsion rates, and other outcomes related to any goals and specific actions identified in the LCAP. Based on the evaluation data, the district shall revise its strategies as needed to better support the education of homeless students.

EDUCATION FOR HOMELESS CHILDREN (continued)

The Superintendent/Principal or designee shall inform homeless children and youth, their parents/guardians, school personnel, service providers, and advocates working with homeless families of the duties of the district's liaison. He/she shall also provide the name and contact information of the district's liaison to the California Department of Education (CDE) for publishing on the CDE's web site. (42 USC 11432)

Enrollment

The district shall make placement decisions for homeless students based on the student's best interest. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a homeless student lives with his/her homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of his/her appeal rights. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if he/she: (Education Code 48852.7; 42 USC 11432)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

2. Does not have clothing normally required by the school, such as school uniforms

EDUCATION FOR HOMELESS CHILDREN (continued)

(cf. 5132 - Dress and Grooming)

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5125 - Student Records)

(cf. 5141.26 - Tuberculosis Testing)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if he/she is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than his/her school of origin or the school requested by his/her parent/guardian or an unaccompanied youth, the Superintendent/Principal or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the decision along with a statement regarding the right to appeal the placement decision. (42 USC 11432)

The student may continue attending his/her school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the homeless student has the benefit of matriculating with his/her peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, he/she shall be allowed to continue in the same attendance area.
2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, he/she shall be allowed to continue to the school designated for matriculation in that district.

EDUCATION FOR HOMELESS CHILDREN (continued)

If the student's status changes before the end of the school year so that he/she is no longer homeless, he/she shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if he/she is in grades K-8
2. Through graduation if he/she is in high school

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected
4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of their roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

EDUCATION FOR HOMELESS CHILDREN (continued)

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform them that they may provide written and/or oral documentation to support their position
2. Inform them that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide them a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide them a copy of the dispute form they submit for their records
5. Provide them the outcome of the dispute for their records

If a parent/guardian or unaccompanied youth disagrees with the liaison's enrollment decision, he/she may appeal the decision to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a homeless student to and from his/her school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend his/her school of origin within this district, the Superintendent/Principal or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

(cf. 3250 - Transportation Fees)

(cf. 3541 - Transportation Routes and Services)

EDUCATION FOR HOMELESS CHILDREN (continued)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an individualized education program that includes transportation as a necessary related service for the student. (Education Code 48852.7)

Transfer of Coursework and Credits

When a homeless student transfers into a district school, the district shall accept and issue full credit for any coursework that the student has satisfactorily completed while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency and shall not require the student to retake the course. (Education Code 51225.2)

If the homeless student did not complete the entire course, he/she shall be issued partial credit for the coursework completed and shall be required to take the portion of the course that he/she did not complete at his/her previous school. However, the district may require the student to retake the portion of the course completed if, in consultation with the holder of educational rights for the student, the district finds that the student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a homeless student in any particular course, he/she shall be enrolled in the same or equivalent course, if applicable, so that he/she may continue and complete the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject. Partial credits and grades earned by a student shall be included on the student's official transcript within two business days of the district's notification of the student's transfer, as required under Education Code 49069.5.

In no event shall the district prevent a homeless student from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

(cf. 6143 - Courses of Study)

Applicability of Graduation Requirements

To obtain a high school diploma, a homeless student shall complete all courses required by Education Code 51225.3 and fulfill any additional graduation requirements prescribed by the Board of Trustees.

(cf. 6162.52 - High School Exit Examination)

EDUCATION FOR HOMELESS CHILDREN (continued)

However, when a homeless student who has completed his/her second year of high school transfers into the district from another school district, he/she shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of his/her fourth year of high school. Within 30 calendar days of the homeless student's transfer, the Superintendent/Principal or designee shall notify the student, the person holding the right to make educational decisions for him/her, and the district liaison for homeless students of the availability of the exemption and whether the student qualifies for it. If the Superintendent/Principal or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student is no longer homeless. (Education Code 51225.1)

To determine whether a homeless student is in his/her third or fourth year of high school, the district shall use either the number of credits he/she has earned as of the date of the transfer or the length of his/her school enrollment, whichever qualifies him/her for the exemption. (Education Code 51225.1)

The Superintendent/Principal or designee shall notify any homeless student who is granted an exemption and the person holding the right to make educational decisions for him/her how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a homeless student to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a homeless student, the person holding the right to make educational decisions for the student, or the district liaison on behalf of the student. (Education Code 51225.1)

If a homeless student is exempted from local graduation requirements, the exemption shall continue to apply after the student is no longer homeless or if he/she transfers to another school or school district. (Education Code 51225.1)

If the Superintendent/Principal or designee determines that a homeless student is reasonably able to complete district graduation requirements within his/her fifth year of high school, he/she shall: (Education Code 51225.1)

1. Inform the student and, if under 18 years of age, the person holding the right to make educational decisions for him/her, of the option available to the student to remain in school for a fifth year to complete the district's graduation requirements and how that will affect his/her ability to gain admission to a postsecondary educational institution

EDUCATION FOR HOMELESS CHILDREN (continued)

2. Provide information to the homeless student about transfer opportunities available through the California Community Colleges
3. Upon agreement with the homeless student or with the person holding the right to make educational decisions for him/her if he/she is under 18 years of age, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Eligibility for Extracurricular Activities

A homeless student who enrolls in the district school shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities. (Education Code 48850)

(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)

Notification and Complaints

Information regarding the educational rights of homeless students, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint that the district has not complied with requirements regarding the education of homeless students, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.

(cf. 1312.3 - Uniform Complaint Procedures)
