

LIBRARY MEDIA CENTERS

The Board of Trustees recognizes that school libraries support the educational program by providing access to a variety of informational and supplemental resources that can help raise the academic achievement of all students. The Board desires that the school library be stocked with up-to-date books, reference materials, and electronic resources that promote literacy, support academic standards, and prepare students to become lifelong learners.

(cf. 0440 - District Technology Plan)
(cf. 1330.1 - Joint Use Agreements)
(cf. 6011 - Academic Standards)
(cf. 6163.4 - Student Use of Technology)
(cf. 7110 - Facilities Master Plan)

The Superintendent/Principal or designee may, in consultation with the teacher librarian, classroom teachers, administrators, parents/guardians, and students as appropriate, develop and regularly update a plan for the school library that describes the district's goals for the school library and how funds will be distributed to the school to support the library. As appropriate, the plan may also address staffing, facilities, selection and evaluation of materials, the development and maintenance of classroom libraries, prevention of loss or damage of library materials, prioritization of needs, and other related matters. The Superintendent/Principal or designee shall ensure that the library plan is aligned with the district's local control and accountability plan and other district and school plans.

(cf. 0200 - Goals for the School District)
(cf. 0400 - Comprehensive Plans)

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)
(cf. 6161.2 - Damaged or Lost Instructional Materials)

Staffing

To staff the school library, the district may employ one or more teacher librarians who possess appropriate credentials issued by the Commission on Teacher Credentialing. (Education Code 18120, 44868; 5 CCR 80024.6, 80053)

(cf. 4112.2 - Certification)
(cf. 4113 - Assignment)

The Superintendent/Principal or designee may assign teacher librarians to perform the following duties in accordance with the authorizations of their credential: (5 CCR 80053, 80053.1)

1. Instruct students in accessing, evaluating, using, and integrating information and resources in the library program and/or provide departmentalized instruction in information literacy, digital literacy, and digital citizenship

LIBRARY MEDIA CENTERS (continued)

2. Plan and coordinate the school library program with the district's instructional programs through collaboration with teachers
3. Select materials for the library
4. Develop and deliver staff development programs for school library services
5. Coordinate or supervise library programs at the school
6. Plan and conduct a course of instruction for students who assist in the operation of the school library
7. Supervise classified personnel assigned school library duties
8. Develop procedures for and management of the school library

The Board also may appoint classified paraprofessionals to serve as library aides or library technicians. Volunteers may assist with school library services in accordance with law, Board policy, and administrative regulation.

(cf. 1240 - Volunteer Assistance)

(cf. 4222 - Teachers Aides/Paraprofessionals)

Hours of Operation

The school library shall be open for use by students and teachers during the school day. (Education Code 18103)

With the approval of the Board, the school library may be open at other hours outside the school day, including evenings and Saturdays. When the library is open to serve students during evening and Saturday hours shall be under the supervision of a certificated employee who consents to the assignment. (Education Code 18103)

Selection and Evaluation of School Library Materials

Library materials shall include print and electronic resources that align with the curriculum and are accessible to students with varying cognitive or language needs.

Library materials shall be evaluated and selected through a process that invites recommendations from administrators, teachers, other staff, parents/guardians, and students as appropriate.

(cf. 6144 - Controversial Issues)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

Library materials shall be continually evaluated in relation to evolving curricula, new formats of materials, new instructional methods, and the needs of students and teachers. Materials that contain outdated subject matter or are no longer appropriate shall be removed.

(cf. 3270 - Sale and Disposal of Books, Equipment and Supplies)

All gifts and donations of school library materials shall be subject to the same criteria as materials selected for purchase by the district.

(cf. 1260 - Educational Foundation)

(cf. 3290 - Gifts, Grants and Bequests)

Complaints regarding the appropriateness of library materials shall be addressed using the district's procedures for complaints regarding instructional materials.

(cf. 1312.2 - Complaints Concerning Instructional Materials)

Fees

Students shall be allowed to borrow school library materials at no charge for use in the library and classrooms as well as out of school. (5 CCR 16042)

(cf. 3260 - Fees and Charges)

Students shall be encouraged to return library materials in a timely manner, but no charge shall be assessed for the late return of materials.

Library Instruction

The teacher librarian and/or classroom teachers shall provide library instruction to develop students' information literacy skills. Such instruction shall be aligned with state academic standards for library instruction and shall prepare students to:

1. Access information by applying knowledge of the organization of libraries, print materials, digital media, and other sources
2. Evaluate and analyze information to determine appropriateness in addressing the scope of inquiry
3. Organize, synthesize, create, and communicate information

LIBRARY MEDIA CENTERS (continued)

4. Integrate information literacy skills into all areas of learning and pursue information independently to become life-long learners

The teacher librarian also may provide support to teachers, administrators, and other staff by identifying instructional materials that will aid in the development of curriculum and instructional activities and by providing information about effective and ethical uses of school library services and equipment.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

(cf. 6141 - Curriculum Development and Evaluation)

Program Evaluation

The Superintendent/Principal or designee shall annually assess and report to the Board regarding the condition and use of the school library. The assessment shall evaluate, at a minimum:

1. Access of students and staff to the school library during school hours and, as appropriate, access outside the school day
2. The process and frequency by which students are allowed to check out library materials
3. Staffing levels, qualifications, and number of hours worked
4. The quality of the collection at each library, including, but not limited to, the total number of books in the collection, number of books per student, amount expended during the year for the purchase of new resources, and the number of resources discarded and added during the year
5. Any special programs offered at the school to encourage reading and/or library use
6. The adequacy of the facility space and equipment designated for the school library
7. The source(s) and adequacy of funding for the school library

The district shall, on or before August 31 each year, report to the CDE on the condition of its school library for the preceding year ending June 30. (Education Code 18122)
