As part of the Board of Trustees' responsibility to set direction for the school district, the Board shall adopt long-term goals focused on the achievement of all district students. The district's goals shall be aligned with the district's vision, mission, philosophy, and priorities.

(cf. 0100 - Philosophy)

(cf. 9000 - Role of the Board)

The LCAP shall include a clear description of each goal, one or more of the state or local priorities addressed by the goal, any student subgroup(s) to which the goal is applicable, and expected progress toward meeting the goal for the term of the LCAP and in each year.

Each year the district's update to the LCAP shall review progress toward the goals and describe any changes to the goals. (Education Code 52060-52061)

(cf. 0500 - Accountability)

(cf. 6190 - Evaluation of the Instructional Program)

In addition to the goals identified in the LCAP, and consistent with those goals, the district may establish goals for inclusion in another district plan or for any other purpose. Such goals may address the improvement of governance, leadership, fiscal integrity, facilities, community involvement and collaboration, student wellness and other conditions of children, and/or any other areas of district or school operations. As appropriate, each goal shall include benchmarks or short-term objectives that can be used to determine progress toward meeting the goal.
