If a law enforcement agency notifies the district that a child enrolled in the school has been reported missing, the Superintendent/Principal or designee shall place a notice on the front of the child's school record indicating that he/she has been reported missing. If the school receives a record inquiry or request from any person or entity regarding a missing child about whom the school has been notified, the Superintendent/Principal or designee shall immediately notify the law enforcement agency that informed the school of the missing child's status.
