

**SCHOOL HEALTH SERVICES**

The Board of Trustees recognizes that good physical and mental health is critical to a student's ability to learn and believes that all students should have access to comprehensive health services. The district may provide access to health services through the establishment of a school health center and/or mobile van(s) that serve the school.

The Board and the Superintendent/Principal or designee shall collaborate with local and state agencies and health care providers to assess the health needs of students in the district and the community. Based on the results of this needs assessment and the availability of resources, the Superintendent/Principal or designee shall recommend for Board approval the types of health services to be provided by the district.

School health services shall be provided under the supervision of a licensed health care professional. The Board may employ or contract with health care professionals or partner with community health centers to provide the services under the terms of a written contract or memorandum of understanding.

## **SCHOOL HEALTH SERVICES** (continued)

*(cf. 3312 - Contracts)*

If a school nurse is employed by the school or district, he/she shall be involved in planning and implementing the school health services as appropriate.

The Superintendent/Principal or designee shall coordinate the provision of school health services with other student wellness initiatives, including health education, nutrition and physical fitness programs, and other activities designed to create a healthy school environment. The Superintendent/Principal or designee shall encourage joint planning and regular communications among health services staff, district administrators, teachers, counselors, other staff, and parents/guardians.

*(cf. 6142.7 - Physical Education and Activity)*

*(cf. 6142.8 - Comprehensive Health Education)*

*(cf. 6164.2 - Counseling/Guidance Services)*

To further encourage student access to health care services, the Superintendent/Principal or designee shall develop and implement outreach strategies to increase enrollment of eligible students from low- to moderate-income families in affordable, comprehensive state or federal health coverage programs and local health initiatives. Such strategies may include, but are not limited to, providing information about the Medi-Cal program on the application for free and reduced-price meals in accordance with law.

*(cf. 3553 - Free and Reduced Price Meals)*

### **Consent and Confidentiality**

The Superintendent/Principal or designee shall obtain written parent/guardian consent prior to providing services to a student, except when the student is authorized to consent to the service pursuant to Family Code 6920-6929, Health and Safety Code 124260, or other applicable law.

The Superintendent/Principal or designee shall maintain the confidentiality of student health records in accordance with law.

*(cf. 5125 - Student Records)*

### **Payment/Reimbursement for Services**

The Superintendent/Principal or designee may bill public and private insurance programs and other applicable programs for reimbursement of services as appropriate. Services may be provided free of charge or on a sliding scale in accordance with law.

BP 5141.6(c)

## **SCHOOL HEALTH SERVICES** (continued)

*(cf. 5143 - Insurance)*

The district shall serve as a Medi-Cal provider to the extent feasible, comply with all related legal requirements, and seek reimbursement of costs to the extent allowed by law.

### **Program Evaluation**

In order to continuously improve school health services, the Board shall evaluate the effectiveness of such services and the extent to which they continue to meet student needs.

The Superintendent/Principal or designee shall provide the Board with periodic reports that may include, but are not necessarily limited to, rates of participation in school health services; changes in student outcomes such as school attendance or achievement; measures of school climate; feedback from staff and participants regarding program accessibility and operations, including accessibility to low-income and linguistically and culturally diverse students and families; and program costs and revenues.

## **SCHOOL HEALTH SERVICES (continued)**

### **Medi-Cal Billing**

In order to provide services as a Medi-Cal provider, the district shall enter into and maintain a contract with the California Department of Health Care Services (DHCS). (Welfare and Institutions Code 14132.06; 22 CCR 51051, 51270)

The Superintendent/Principal or designee shall ensure that all practitioners employed by or under contract with the district possess the appropriate license, certification, registration, or credential and provide only those services that are within their scope of practice. (22 CCR 51190.3, 51270, 51491)

The Superintendent/Principal or designee shall submit a claim for Medi-Cal reimbursement whenever the district provides a Medi-Cal-eligible student under age 22 and/or a member of the student's family a covered service specified in 22 CCR 51190.4 or 51360. (Welfare and Institutions Code 14132.06; 22 CCR 51096, 51098, 51190.1, 51190.4, 51309, 51360, 51535.5)

The district shall maintain records and supporting documentation including, but not limited to, records of the type and extent of services provided to a Medi-Cal beneficiary in accordance with law. (22 CCR 51270, 51476)

*(cf. 3580 - District Records)*  
*(cf. 5125 - Student Records)*

Any federal funds received by the district as reimbursement for the costs of services under the Medi-Cal billing option shall be reinvested in approved services for students and their families. The Superintendent/Principal or designee shall consult with a local school-linked services collaborative group regarding decisions on reinvestment of federal funds. (22 CCR 51270)

The Superintendent/Principal or designee shall submit an annual report to DHCS to identify participants in the community collaborative, provide a financial summary including reinvestment expenditures, and describe service priorities for the future. (22 CCR 51270)

### **Medi-Cal Administrative Activities**

The district shall apply for reimbursement for activities identified by DHCS which are related to the administration of the Medi-Cal program. Such activities include, but are not be limited to, outreach, translation for Medi-Cal services, facilitation of applications, arrangement of nonemergency and nonmedical transportation of eligible individuals, program planning and policy development, claims coordination and administration, training, and general administration.

## **SCHOOL HEALTH SERVICES** (continued)

Appropriate staff shall receive training in administrative claiming categories and related activities.

To receive reimbursement for Medi-Cal administrative activities, the Superintendent/Principal or designee shall, on a quarterly basis, submit an invoice to the local educational consortium or local governmental agency through which the district has contracted.

In addition, the Superintendent/Principal or designee shall submit to the local educational consortium or local governmental agency, and shall update each quarter, a roster of all employees who perform direct Medi-Cal services or administrative activities. When notified by the local educational consortium or local governmental agency of the date and time that a random-moment time survey must be conducted by a particular employee, the Superintendent/Principal or designee shall coordinate the completion and submission of the survey in accordance with DHCS timelines and procedures.

The Superintendent/Principal or designee shall maintain an audit file containing random-moment time survey documentation and other records specified by DHCS. Such documentation shall be kept for three years after the end of the quarter in which expenditures were incurred or, if an audit is in progress, until the completion of the audit.
